

## How NDFC Rankings Are Calculated

A player may only count 10 results in their total, based on the following criteria.

1. A maximum of 3 results from any one Member Body may be counted.
2. A maximum of 2 results from each of all other Member Bodies may be counted.
3. The Provincial/Territorial Championships, National Championships and Canadian Open may be counted in a player's total but are not included as one of the 3 or 2 Member Body stipulations named above.
4. Ranking points for the National Championships will be awarded as follows:
  - a) Numbers 33 to the bottom at the Nationals shall receive points equal to 1 point higher than the 9th place finishers in the province with the highest 9th place points.
  - b) Finishers above 33<sup>rd</sup> place at the Nationals will have their points go up by the same increment per position as in the province used in a).
5. Players may only collect the higher of their Provincial Championship or National Championship points. They may not use both in their total of 10 highest results.
6. NDFC Ranking points are accumulated from May 1<sup>st</sup> through April 30<sup>th</sup> annually. Each May 1<sup>st</sup> begins new rankings with all players starting at zero.
7. The April 30<sup>th</sup> final posting will be used for all qualifying positions on National or International teams.
8. The Official NDFC Ranking List for seeding purposes will be updated and published September 1<sup>st</sup>, November 1<sup>st</sup>, January 1<sup>st</sup>, March 1<sup>st</sup> and April 30<sup>th</sup> each year.
9. NDFC Ranking Points will be awarded according to the following base point table.

### **Membership Verification**

**An interim membership report will be produced by each Member Body and sent to the Membership Director before December 15<sup>th</sup> of each year. This report must include names and addresses of all members who have purchased memberships for the new season and must also include payment for each member.**

**This interim membership report will be used to verify all players on the Official Ranking List for January 1<sup>st</sup>. Any player earning points between October 1<sup>st</sup> and December 15<sup>th</sup> who have not purchased their current membership will see those points removed from the January 1<sup>st</sup> Ranking List.**

**These points will NOT be re-instated if the membership is purchased after January 1<sup>st</sup>.**

**The final verification of membership will proceed as usual on April 1<sup>st</sup> prior to the April 30<sup>th</sup> Official Ranking List. All players who have received points between May 1<sup>st</sup> and September 30<sup>th</sup> and are not valid members as of April 1<sup>st</sup> will see their points removed from the final Official Ranking List of April 30<sup>th</sup>.**
